MORBARK 1215

With its power and easily transportable design, the compact and economical Beaver 1215 12-inch chipper is the ideal unit for power line clearing, residential tree services, rental yards and councils.

The dual-sided, chambered air impeller system increases chip-throwing velocity and reduces dust and material blowback out the infeed to pack more into the chip truck.

The 18-inch (45.7cm) diameter single top feed wheel easily climbs over material, reduces drag and increases chipping efficiency.

Like all Morbark equipment, the Beaver 1215 is a long-lasting, durable machine backed by a world-class parts and service support team.

13.5" x 15"
THROAT OPENING

Technical Specifications

Throat Opening (H x W)	13.5" x 15"
Infeed Opening (H x W)	31" x 60"
Fuel Capacity	92.7 litres
Power Source	85 hp Kubota
Weight	2700 kg
Lift & Crush	Std
Adjustable pintoll height	Std
Drum Diameter	14.5" x 21.4"
Bump bar	Std
Folding Infeed Tray	Std
Spare Tyre	Std
Strobe Light	Std

(All specs E&OE and subject to change)

Highlighted Features

- Staggered pocket drum with two (2) dual-edged chip-perknives
- Dual-sided air impeller system to increase chip throwing velocity
- Reversing automatic feed system
- Four (4) position feed control bar with dual safety pullcables located within the infeed
- 360° manual swivel discharge with multiple locking positions
- Pinned chipper hood with integrated hood safety plug
- Integrated tube and jack support pad to utilize from the dra bar jack to raise the feed wheel
- Standard fuel tank sight gauge, drain plug, and shut-off valve
- Standard hydraulic tank clean-out cover, shut-off valve, and magnetic drain plug
- Interstate Battery
