V1.0 - 260610

MONITOR E290PX

The Monitor E290PX is a versatile 28.7 m telescopic truck mounted machine. An agile unit with amazing outreach! The Monitor E290PX truck mounted lift is built to accommodate 2 persons and tools with a maximum rated capacity of 250 kg.

It is also equipped with hydraulic controls for lift and stabilisation functions, providing for a very smooth operation and accuracy even at full height and outreach.

The Monitor E290PX is great for applications where frequent set-ups are needed, in restricted locations with higher reach requirements.

28.7m
WORKING HEIGHT

"Plumb line" vertical plane movement with the double articulating pantograph boom ideal for cleaning facades and buildings.

Telescopic boom providing "up and over" reach, enabling roof access and top-down approach with arborist applications.

Super smooth simple to operate controls

Minimal traffic management with boom tail swing & outriggers within footprint of vehicle

AS1418.11 Certified

4 Hydraulic outriggers offering great correction

TECHNICAL SPECIFICATIONS
