V1.0 - 250122

# CMC S13F

Compact, lightweight and multi-functional. S13F is the perfect solution for working in the most difficult conditions and in tight spaces, difficult to access.

Full hydraulic with two working areas and two telescopic boom extensions, plus an articulating jib (90°). It's easy to use, intuitive and fast platform. Thanks to its small size, it passes through a standard door and enters elevators.
