V1.0 - 241127

RAYCO RG25HD

The Rayco RG25HD Stump Grinder is the largest model in the Mini Work-Force line up.

This unit is powered by a 25 hp Petrol Kohler Command engine featuring electric start and a Donaldson, dual element air cleaner. The RG25HD is self propelled, making it the best choice for traversing up and down hills, trailer ramps, mounded landscaping, etc.

Large tyres roll over chip piles and obstacles easier than competitors' low-profile tires. The narrow profile of the RG25HD allows it to fit through 30" (76.2cm) gates. Convenient handlebar adjustment allows operator to select height depending on the conditions. An electromagnetic clutch engages the cutter wheel at the flip of a switch. As with all Mini Work-Force models, the RG25HD has a powder coat finish and 2 year warranty.

24"
CUTTING HEIGHT
