V1.0 - 241017

# FÖRST ST6P HD

The Först ST6P HD is a genuine, hardy, performance tool; building on the Först reputation of jaw dropping performance and robust, tough construction.

The Först ST6P HD, a heavy duty woodchipper, brings all the performance and speed of its brother and packs it into a robust steel construction and weighs in at 885kg.

The machine offers all the quality and performance expected from Först including the outstanding FörstGrip feed roller system, the Först flywheel system and the new and improved AutoIntelligence control and 'no-stress' system making for a fast and efficient chipping performance. The ST6P HD woodchipper utilises the punchy and fuel-efficient Vanguard 37HP V-Twin petrol engine as used in the ST6P.

# Technical Specifications
