

# Plant Design Registration Certificate

Work Health & Safety Act 2011  
Work Health & Safety Regulation 2017

## Registration holder

Monitor Industries Pty Ltd  
Monitor Lifts  
**ABN:** 76159267679  
**ACN:** 159267679

Design registration number

**PDEWP7000483/23**

Date issued

**03 Apr 2023**

---

## Plant Design description

**Plant type:** Boom Type Elevating Work Platform

**Model / Identification number / Name:** 225

**Manufacturer:** leguan

**Platform type:** Self-propelled

**Maximum rated capacity (kg):** 250

**Maximum platform height (m):** 20.4

**Maximum boom length (m):** 11.2

**Maximum chassis inclination (degrees):** 0

**Insulation type:** Non-insulated

**Design use:** Indoor & Outdoor

**Maximum rated wind velocity (m/s):** 12.5

---

## Technical details

**Drawing details:** main Assembly Drawing A444819 A, Outreach Diagram A457110 A

**Technical standards:** AS/NZS 1418.10 - 2011

**Year of design:** 2020
