

Plant Design Registration Certificate

Work Health & Safety Act 2011
Work Health & Safety Regulation 2017

Registration holder

Monitor Industries Pty Ltd
Monitor Lifts
ABN: 76159267679
ACN: 159267679

Design registration number

PDEWP7003118/25

Date issued

09 May 2025

Plant Design description

Plant type: Boom Type Elevating Work Platform
Model / Identification number / Name: 265
Manufacturer: Leguan Lifts Oy
Platform type: Self-propelled
Maximum rated capacity (kg): 250
Maximum platform height (m): 24.4
Maximum boom length (m): 24.4
Maximum chassis inclination (degrees): 1
Insulation type: Non-insulated
Design use: Indoor & Outdoor
Maximum rated wind velocity (m/s): 12.5

Technical details

Drawing details: PAAKOKOONPANO LEGUAN 265 A459405, OUTREACH DIAGRAM LEGUAN 265 A470153
Technical standards: AS/NZS 1418.10 CRANES, HOISTS AND WINCHES - PART 10 MEWPS - 2011

Year of design: 2024
