

Plant Design Registration Certificate

Work Health & Safety Act 2011
Work Health & Safety Regulation 2017

Registration holder

Monitor Industries Pty Ltd
Monitor Lifts
ABN: 76159267679
ACN: 159267679

Design registration number

PDEWP7003119/25

Date issued

09 May 2025

Plant Design description

Plant type: Boom Type Elevating Work Platform

Model / Identification number / Name: 195

Manufacturer: Leguan Lifts Oy

Platform type: Self-propelled

Maximum rated capacity (kg): 250

Maximum platform height (m): 17.5

Maximum boom length (m): 17.5

Maximum chassis inclination (degrees): 1

Insulation type: Non-insulated

Design use: Indoor & Outdoor

Maximum rated wind velocity (m/s): 12.5

Technical details

Drawing details: PAAKOKOONPANO LEGUAN 195 A464860 A, OUTREACH DIAGRAM LEGUAN 195 A467386

Technical standards: AS/NZS 1418.10 CRANES, HOISTS AND WINCHES - PART 10 MEWPS - 2011

Year of design: 2024
