

Plant Design Registration Certificate

Work Health & Safety Act 2011
Work Health & Safety Regulation 2017

Registration holder

Monitor Industries Pty Ltd
Monitor Lifts
ABN: 76159267679
ACN: 159267679

Design registration number

PDEWP7000276/23

Date issued

09 Feb 2023

Plant Design description

Plant type: Boom Type Elevating Work Platform
Model / Identification number / Name: 33.15 LBD 300
Manufacturer: platform basket
Platform type: Self-propelled
Maximum rated capacity (kg): 300
Maximum platform height (m): 32
Maximum boom length (m): 30
Maximum chassis inclination (degrees): 1
Insulation type: Non-insulated
Design use: Indoor & Outdoor
Maximum rated wind velocity (m/s): 12.5

Technical details

Drawing details: GENERAL ARRANGEMENT DRAWING 4940060500, RATED CAPACITY CHART 4940060700,
RATED CAPACITY CHART 4940060800

Technical standards: AS/NZS 1418.10 CRAINS, HOISTS AND WINCHES- PART 10 MEWPS - 2011

Year of design: 2021
