

Plant Design Registration Certificate

Work Health & Safety Act 2011
Work Health & Safety Regulation 2017

Registration holder

Monitor Industries Pty Ltd
Monitor Lifts
ABN: 76159267679
ACN: 159267679

Design registration number

PDEWP7000940/23

Date issued

09 Aug 2023

Plant Design description

Plant type: Boom Type Elevating Work Platform
Model / Identification number / Name: RR9-200
Manufacturer: Platform Basket
Platform type: Self-propelled
Maximum rated capacity (kg): 200
Maximum platform height (m): 9.4
Maximum boom length (m): 4.8
Maximum chassis inclination (degrees): 3
Insulation type: Non-insulated
Design use: Indoor & Outdoor
Maximum rated wind velocity (m/s): 12.9

Technical details

Drawing details: Static Diagram 455060100, Static Diagram- On Crawlers 4550060201, Dimensional Drawing RR9-200 4550061400

Technical standards: AS/NZ 1418.10 - 2011, AS 7502 - 2016

Year of design: 2019
