

Plant Design Registration Certificate

Work Health & Safety Act 2011
Work Health & Safety Regulation 2017

Registration holder

Monitor Industries Pty Ltd
Monitor Lifts
ABN: 76159267679
ACN: 159267679

Design registration number

PDEWP7002986/25

Date issued

01 Apr 2025

Plant Design description

Plant type: Boom Type Elevating Work Platform
Model / Identification number / Name: PB 54T
Manufacturer: Platfor Basket
Platform type: Self-propelled
Maximum rated capacity (kg): 400
Maximum platform height (m): 54.1
Maximum boom length (m): 20.7
Maximum chassis inclination (degrees): 1
Insulation type: Non-insulated
Design use: Indoor & Outdoor
Maximum rated wind velocity (m/s): 12.5

Technical details

Drawing details: 4589060000_SCH_01_P 4589060000_SCH_01_P, HY_4588060100 HY_4588060100, PB 54T
mechanical schematics (combined) PB 54T mechanical schematics (combined)

Technical standards: AS NZS 1418-10 - 2011

Year of design: 2024
